

## **Scope of DTI and its Limited Capability**

8 November, 2016

Reported by Akio Suzuki, JTREC

1. DTI has a scope for POIs (point of interests)

A POI could be explained and guided.

2. DTI does not cover area.

No area without POI/POIs in it could not be explained nor guided.

3. DTI is for information service.

4. No travel product could not be taken for information exchange nor trade..

5. There is no consideration on message or data exchange.

To trade data it should be described well in the document.
